**ACKNOWLEDGMENT OF RISK FORM FOR PARTICIPANTS OF SPORTS CAMP**

Name of Camp: Griz Softball 2019 Winter Camp Sessions

Date: \_\_\_\_\_

As a potential participant of the Initial *Griz Softball 2019 Winter Camp Sessions*, I could possibly sustain injuries no matter how well conditioned I may be. Depending on the nature of the sport, injuries may be minor to fatal in nature. Some specific injuries that may be sustained by participants in physical activity associated with sports such as this one are as follows: stoppage of breathing, spine and neck injuries (either of which could result in paralysis), concussion, heart failure, broken legs, feet, ankles, toes or other bones, heat stroke, heat cramp, heat exhaustion, stroke, convulsion, unconsciousness, abrasions to limbs such as arms, legs and head, fainting, sudden illness, cramps, and loss of wind.

Physical contact poses risks in Initial *Griz Softball 2019 Winter Camp Sessions* activities as well, even though it occurs regularly as an accepted part of the sport. The propensity for major injuries, such as injuries to the spinal column, broken bones, concussion and internal injuries to major organs increases in relation to the force of impact upon contact or collision. I understand the risk of injury due to the force of a collision. I realize that if I have physical problems such as a heart condition, hypertension, orthopedic problems, or other medical problems, I should consult a physician concerning any limits to my activity.

I agree to comply with all camp rules and regulations, including those given verbally and in writing. I also agree to participate in safety meetings and the presentation of any safety material, such as a video on safety, which are designed and offered to promote safety in all camp activities.

Knowing the inherent risks, dangers and rigors involved in the activities in which I choose to participate at this camp, I certify that I am fully capable of participating in the activities offered.

I certify that I have read this ACKNOWLEDGMENT OF RISK Form and understand all of its terms.

Each pitching session will be ninety minutes to help increase velocity, accuracy and proper spin on pitches. The catching and infield session will last one hour with fundamentals and various drills to help improve the camper's individual skill level in that specific area. Camp sessions are filled on a first come, first serve basis. Each camp participant will receive one-on-one time with Griz staff and members of the 2019 Griz softball team.
